

At Fantasy of Flight, we strive to provide you with a perfect event from planning to execution. To ensure your satisfaction, we have a list of preferred vendors that we work with on a frequent basis. These vendors are those we know and trust and have provided all of the required insurance documentation needed to provide services for events within any Fantasy of Flight property. Before securing any vendors, we suggest you start with this list. Any outside vendors may be subject to outside vendor fees and must have proper insurance in place prior to any events. Please check with your Event Sales Manager before signing any contracts.
