BANDS/SINGERS

8TH ARMY AIR CORP ORCHESTRA (5 PC., 8 PC., & 9 PC.) - Whether you are “in the mood” for a “moonlight serenade” or a “boogie woogie bugle boy,” the New 8th Army Air Corps Orchestra delivers spot-on renditions of the greatest music from one of the great generations. Your swinging tour through the 1940s starts with Glenn Miller and just keeps getting better, as your live jukebox plays big band requests and hits from Benny Goodman to the Andrews Sisters.

ANDREWS SISTERS TRIO - This talented vocal trio does it all. They can stroll, interact and sing a cappella or as a featured act on stage with The New 8th Army Air Corps Orchestra or Pianist Tom Butler. Whether attired in elegant period evening dress or their Army Air Corps khakis, Fantasy's Angels really capture the nostalgia of the World War II swing era. Performing the nostalgic and fun-filled standards, "Boogie Woogie Bugle Boy," "Don't Sit Under the Apple Tree," and other 1940s solid gold hits in the tradition of The Andrews Sisters, these talented Angels make the days of Rosie The Riveter, USO Shows and

Hollywood Canteen come alive for you and your special guests.

DUELING PIANOS (2 PC) - Center stage veteran pianist and entertainer Tom Casey leads Dueling Pianos – two accomplished musicians with two state of the art electronic keyboards disguised as baby grand pianos. Whether its background music for your dinner & dessert, main stage entertainment, or an audience participation sing-along, these two entertainers will play and sing everyone's favorite songs including movie themes, jazz standards, show tunes and popular melodies. Dueling Pianos is one entertainment experience that you and your guests will not want to miss.

JOHNNY KOOL & THE MOBSTER SWINGBAND (9 PC) - This band was formed eleven years ago in the "retro-swing craze" days. This is a great look for a 1920s thru 1940s themed party, or for a more creative theme like "Cigars and Martinis", "Great Gatsby" or a "Speakeasy" theme. "Retro-Swing" material from bands like Big Bad Voodoo Daddy, Brian Setzer, LaVay Smith and Her Red Hot Skillet Lickers and Louis Jordan. This band was featured in many of the retro swing clubs including the Roxy, Rat Packs, City Jazz and the Atlantic Dance Hall.

MICHAEL ANDREW & SWINGERHEAD (8 PC.) - Michael Andrew has always loved swing music. In 1990, he formed "The Michael Andrew Orchestras" with the goal of providing timeless music in the style of the big bands of the forties and in the tradition of popular singers like Tony Bennett and Frank Sinatra. In 1993, the world famous Rainbow Room in New York City invited Michael to become their headlining singer and band leader where he performed 5 to 6 nights a week for over two years. In the summer of '96 audiences and critics raved about his "hi-fi, sci-fi" musical comedy, Mickey Swingerhead & The Earthgirls, which was produced in Orlando, Florida. In 1998, Andrew created his dynamic band known as Swingerhead. Even though they had an extensive touring schedule, Swingerhead was considered the house band at Rat Pack's on the Avenue in Orlando. Michael Andrew can be seen leading his band in the opening scene of the MGM motion picture "Heartbreakers"

PAUL VESCO & SWING BAND (6 PC. & 8 PC) - The Paul Vesco Orchestra is a polished and versatile big band that can start the evening with sophisticated sounds from the days of the Rat Pack complete with vocalists and a great horn section. Their repertoire goes back as far as the 1920s with fun classics from Louis Jordan and goes all the way to the music of today, including great Latin sounds, both traditional and modern. Recently, Paul arranged music for the national TV show, America's Got Talent.

ENTERTAINMENT PACKAGES

CIRQUE PACKAGE (5 ACTS OR 8 ACTS) -Celebrating man's infatuation with flight, this production is indeed a composition... of an unusual kind. Our artists soar through the air demonstrating enormous power and fragility at the same time, as they achieve a multitude of acrobatic positions, rotations, tangles and spins. A one-hour production, it features Hand-To-Hand Balancing, German Wheel, Spinning Cube, Contortionist, Web, Bungee, Straps and Hoops performances. As most of the acts perform suspended in the air and using no safety lines, there is a powerful element of suspense that keeps everyone spellbound from beginning to end.

USO PACKAGE — Includes the Fantasy's Angels as "The Andrews Sisters", Mark King as the "Corsair Crooner", the 9-piece 8th Army Air Corp Orchestra, and (2) Cigarette Girls. This package provides the perfect amount of ambiance and guest interaction to complement your event.

EXPERIENCES AND RIDES

BI-PLANE RIDES - Carrying up to 4 passengers in a large front open cockpit, the New Standard D-25 was instrumental in introducing hundreds of thousands of people to their first airplane ride, back when aviation was in its infancy. We supply the helmets, goggles, and scarves; you get to have all the fun! Maneuvers include lazy-eights, steep and shallow 360 degree turns, and maybe even a few "whoopy-dos." Flights in the New Standard D-25 last 15-18 minutes, and take guests on a ride where they can experience the sensations of flight in the open cockpit. See, smell, feel, and hear the experience for yourself from our front cockpit!

IMMERSION EXPERIENCE - Our Immersion Experience is a self-guided experience that allows attendees to experience a "Jump into the Night" from the fuselage of a DC-6 just enough to knock them a little off center and set the tone for a transformational experience. After they "jump" they continue

through our starry night into our Cloud Chamber where they lean into a room of mirrors to feel the wind in their face as they view an aerial ballet reminiscent of sky-diving (without your feet ever leaving the floor). Guests then travel to a Parisian Fair set in the 1800's where man's fascination and failures with flight are highlighted in a comical 5 minute film. The next stop is a German Trench mid-battle during World War I where we hear the bombs exploding, men chattering, and a 7 minute film about the role of aviation and the heroism of the soldiers involved. Guests then proceed to the "Briefing Tent" where during a short film they get their orders from the Colonel before proceeding to their real B-17 for an exclusive walk through the action inside our authentic 1940's English Airfield during World War II. The immersion experience exits into our spacious North Hangar which houses a good deal of our vintage aircraft collection.
